The color and pattern of your laminate selection may abruptly change direction across seamed pieces and is not considered a defect.

* Daily use is more evident on darker, glossy laminates. These abrasions and scratches are less apparent with textured or matte finishes. Such markings are not considered defects and will not be covered by the manufacturer's warranty.

In accordance with LD 3, section 3, of NEMA standards, horizontal laminate surface must be at a distance of 30" - 36" with light source directly overhead to evaluate any bumps, defects, and imperfections.

* **Additional upgrade:**
 * Wilsonart ID's beginning with 'Y'
 * Arborite ID's beginning with 'T'
 * Arborite ID's in 1000 & 3000 series
 Chemical resistant finishes
